Online Olympiad exam was conducted in the month of December 2020 and January 2021. 15 students participated in Olympiad Exams such as IGKO, IEO, NSO, IMO .

Aptitude test was conducted by Dr. Kamini Deshmukh on 19th February for 10th Std. students.

12th February, i2i News Media visited us and conducted an interview with us and our President Thirumeni was present during that time. Thirumeni blessed all the children those who are writing Board exams.

Off-line classes were started for 10th Std. from 7th December, 2020 and for Std. IX from 1st February, 2021 onwards.

Parents of Std. IX have complained that 2 hours is not sufficient for on line studies hence it has to be taken as 4 hours minimum. Principal said that we will be considering this.

Principal explained about the fees matters that this year as per the Management decision 25% concession was given. In the meeting conducted on 23rd November, 2019, the parents have already agreed on the fee structure to increase the fee as per Govt. regulation of 15% for two years with a proportion of 8% and 7% i.e., for the academic year 2020-2021 8% rise and for academic year 2021-2022 a hike of 7%. But due to pandemic situation we have not increased the fees during 2019-2020 & 2020-2021. Now during 2021-2022 we will be increasing 8% increase fees which the parents have agreed unanimously.

Principal explained about our new plan of starting book banking, i.e., used text books of every class can be brought to the school library and the same can be given to children who are finding it difficult to purchase new texts.

PTA members also suggested that the actions which are taken by the school against the defaulters are reasonable. After giving 25% concession, if they are not paying it is not appreciable and school should take action against them. Principal explained that few people who are really poor needs sympathy. We have to find out some sponsors for them. All other are taking advantage this time. PTA members have agreed with that.

Tea and biscuits were given to all participants and Meeting ended with vote of thanks by Rev. Fr. Bejoy George.

She has explained the constraint of time due to which all photos and details could not be shared. Also, madam expressed her vision to start Water Bell in the school as a step to inculcate the habit of drinking water among students and teachers. She has informed the parents that December, 2019 onwards the Nursery admission forms for the academic year 2020-2021 will be made available and advertisements, flux etc., will be displayed accordingly. Parents were further informed the need to increase the fee in compliance with Education Board's permission for private institutions to raise fee by 15% in two years. Rev. Fr. Bejoy George confirmed the same. He and Principal have asked the parents to put forward their suggestions on the same regarding the proportion of fee increase for the next two years. The Vice President said that the fee matter should be discussed last.

Principal informed that the sports finale will be conducted on January, 2020 and the date for the same will be given by respected Thirumeni, as he is extremely busy in the month of December. Principal also stated that Remedial classes will be started for weak students. The numbers of children however become less, as parents don't send their children for classes. At this the Vice President suggested that it is the fault of those parents who don't send their children, however the classes should be conducted even if number is less of attending students.

The Vice President asked Principal that parents want to discuss some issues. Accordingly parents put forward their issues which were clarified accordingly by the Principal and Fr. Bejoy George. The three children who were underage and were in Std. I issue was discussed and clarified. One parent enquired about the Std. X Board exam centre. For this Principal clarified that the forms and school details of nearby CBSE schools have been forwarded to Pune Office of CBSE. Rev. Fr. Bejoy also said that the school is in touch with the Pune office regarding centre. The Vice President asked Principal to inform Mr. Sanoop Gopinath, the administrator, to co-ordinate with them and necessary help will be provided accordingly.

Some parents complained that marks given to students of 3rd Std in SST & Computer subjects are very less and also that children are not able to understand specially computer subject and many are failing. Mostly the problem is with std III, IV & V computer subject. Principal explained that the small children are learning computer for the first time, thus they face some problems. One parent also said that exams were being taken before the portion being completed and they want to meet to discuss about this situation. The Vice President suggested that the parents who are facing problems can come to school and meet the principal. She also has agreed on the same.

Then the Vice President asked about the issue of school bag weight. Principal explained that some books are kept in school. He suggested to bring changes in time table to which Principal replied that only next academic year such a step could be taken. One parent raised the issue of note books are not being checked by teachers timely and children are making lot of mistakes. Fr. Bejoy suggested that after completion of each chapter, note books should be checked by concerned teachers and assured the parents the same. Some parents also said that hand writing of students was very poor because they are not given enough time to write. Some parents also asked why school continued classes after exams. Fr. Bejoy clarified that after 40 marks papers, children can't be sent home. We can't call them for one hour to school. Full day they can attend class or else what the are teachers supposed to do? Also it makes no sense for children to travel one hour to write one hour paper when they can utilize the whole day to complete their studies.

One parent also suggested to try to conduct Scout and Guides at State level due to which students may get variety of opportunities in future. They were explained that this was the third year that the initiation of Scout and

Guides in School. Parent also suggested to send teachers for Scout and Guides training at State Level. Principal informed that in the last camp of Scout and Guides training members from Pen came here to witness the camp. Vice President suggested for conducting NCC also in school which will help students who wish to pursue NDA in future.

One parent said that the Std. X students are facing problems in understanding Physics. Principal explained that the teacher knows the basic concepts well but some students are naughty. Students can also ask the concepts again which they don't understand. Also Principal explained that marks are being allotted strictly and parents shouldn't worry about that as it is for child's welfare only.

One parent also asked to give option to choose Marathi after Std. VI. Principal explained that CBSE gives Sanskrit and Hindi as options after Std. VI. Mr. Mahesh, Sanskrit teacher explained his past experience at Rathi school where students opted for Sanskrit rather than Hindi as it is a more scoring subject. Vice President suggested to discuss about it in parents' meeting.

Principal asked the teachers to confirm that syllabus was given to all students subject wise. The Vice President asked as to why syllabus is not being given in the handbook to which Fr. Bejoy and Principal explained that sometimes due to lack of time availability syllabus is altered a little. Fr. Bejoy clarified that the books are semester wise and children know that well. On the issue of late fee being taken, Fr. Bejoy clarified that fees was taken not every month but three months time is given.

Since the ID cards were received late the Vice President said not to issue ID cards this year. The matter was clarified by the Principal and Fr. Bejoy that in Roha the cost is extremely high thus Mumbai company was approached due to which delays took place. The Vice President affirmed that he knows of a party who will give ID cards for Rs. 20/- per card and the information he will share with the school. On the issue of Std I children getting punished by PT Teacher for not wearing House dress and shoes. Fr. Bejoy clarified that there is no punishment as such. Only the students may be told to stand aside.

Principal, Fr. Bejoy & Vice President PTA agreed to keep half an hour time for parents to meet to discuss any issue or problem. Principal affirmed that meetings will be conducted from next week onwards. The Vice President asked whether schools observed holidays for 2nd and 4th Saturdays.

Principal confirmed that for Std. IX & Std. X class we are avoiding holidays and conducting school as was decided in last meeting. During Diwali vacation also Principal has confirmed that classes were conducted for them i.e. for Std. IX & X. Vice President also said that children are not concentrating properly to which Fr. Bejoy suggested meditation as a solution. Vice President also said that lot of activities should be avoided along with academics but Fr. Bejoy stated that this is the right time to give many choices to children and give them maximum opportunity to do what they want rather than limiting them to two choices only.

Principal suggested that students should first opt for basic Maths before opting for standard Maths as this subject in CBSE is difficult. About the school bag issue it was further discussed among Principal and teachers that for Primary section there is no need to bring text book as Smart Board has every content. Text books can also be avoided in Secondary for some subjects. One parent also said that computer teacher of Std. III is not explaining doubts of children. Principal assured to look into the matter and confirmed that the computer teacher is good.

Finally the parents agreed on the fee structure to increase the fee as per Govt. regulation of 15% for two years with a proportion of 8% and 7% i.e., for the academic year 2020-2021 8% rise and for academic year 2021-2022 a hike of 7%. Principal confirmed that once the fee structure is prepared the matter can be further discussed. Tea and snacks were distributed to all and afterwards vote of thanks was given by Mr. Mahesh Marawade before the meeting got dispersed.

GREGORIAN PUBLIC SCHOOL

ANNUAL REPORT 2019-2020

With immense pleasure and profound gratitude to God Almighty and by seeking the intercession of our Patron Saint, St. Gregorios of Parumala, let me avail of this proud privilege to present the Annual Report of academic year 2019-2020.

The Gregorian Public School got another feather on its cap by gaining 100% result for the fourth consecutive year for std. X in C.B.S.E Board Examinations. Total number of students who appeared last year for Board Exam were 39 in which 6 achieved above 90%, 14 passed with distinction, 13 with first class and 6 with second class. Our students who made us proud are:-

1. JEETJAYESH JAIN	94.2%
2. SOHAMSHYAMDESHMUKH	93.2%
3. ARPITBHAVESH DAMANI	92.2%

Our students are well equipped with knowledge by continuous upgradation of infrastructural facilities like E-learning supported by Teach Next, Laboratories of Computer, Science and Mathematics, well equipped library etc. We conducted counseling for individual and group of students twice in a week for whole year.

Competitive Exams :-The school is a platform for number of competitive exams like – Mother Teresa National Colouring competition, Drawing Competition of Raghukul Trust Dombivili, HomiBhabha Exams, Olympiad Exams, Bhaskaracharya Mathematical Talent search exam, IQUBE Exams etc., which enhanced them to evaluate their knowledge of Mathematics, Science and General Knowledge and to prepare for the challenging future ahead.

Sports and Athletics :-Our school provides the platform for fulfilling the young champions' desire, dream and vision. Students are participated under category 14 and 17 in Zonal, District, Taluka and inter school sports competitions and scored prizes also. We hosted Net ball and throw ball district competition and we scored prizes too in these. Annual sports for the school was organized with various individual and team events, indoor and outdoor.

Achievements :- Team of our students participated in GIZMO TOURNAMENT held at St. Mary's ICSE School, Koperkhairane. Two teams of our students participated in Interschool Science Exhibition (ENIGMA) held at St. Mary's Multipurpose High School, Vashi and the Junior group secured the second position.

Co- curricular activities :-Inorder to have the Co-curricular activities, we had 4 clubs – Nature Elixir, Philanthropy, Melodrama and Chef Cuisine. One day picnic was arranged for both primary and secondary section students. Camp and trekking was arranged for the Scouts & Guides. Various festivals were celebrated with many programs.

Extra programmes organized by the School :- We are conducting Remedial classes for weak students of Primary and Secondary. Yoga classes, Karate classes etc held during and after class hours. In order to guide students about their future career, an 'Aptitude test' was conducted.

Teachers' Training : – Our teachers attended various training sessions organized by CBSE. Training on 'Art of Living' to reduce the stress and update teaching methods in association with Lions Club was also attended.

Now before I conclude, let me take this opportunity to express my deep gratitude to our beloved Manager His Grace Geevarghese Mar Coorilos for blessing us with all guidance and support. I also thank the Management, Gregorian Community Trust, School Committee members and MOCCB for the unabated guidance. I value and thank for the great support of Dr. Sunny Pariyaram, the Chairman of School Committee, Rev. Fr. Abraham Joseph the C.E.O of MOCCB, Rev. Fr. Jobin Varghese the Secretary of Gregorian Community. We are indeed very fortunate to have a very good PTA team who are guiding and supporting us. Above all we are grateful to the reputed officials of Panchayat Samiti, Police Department and Education Department for their co-operation and support. I wish you all a very happy and successful year ahead.

Thanking you,

PRINCIPAL
